Overnight Accommodations

Camping

Camping will be on the grassy lawns opposite the registration tent again this year. Campers must carry, set up, and tear down their own tent. All campers will have access to bathroom and shower facilities.

Keuka College

Many cyclists stay with us overnight in a campus dormitory. This year, we will be right on the edge of Keuka Lake in Harrington Hall. This dorm is air conditioned and offers Jack-n-Jill style rooms (a bathroom shared between two double occupancy rooms). There are also a limited number of quadruple occupancy rooms with four twin beds in one room, all with private access to a single bathroom. One set of sheets, a towel, a washcloth, and a pillow are provided per bed. Harrington Hall has elevators and is handicap accessible. Convenient parking is located adjacent to Harrington Hall. NEW this year, we have access to one- and two-bedroom furnished, air-conditioned apartments located about a third of a mile walk across campus from the start/finish.

[Click here to reserve your room at Keuka College](#)

We encourage our cyclists and volunteers to stay at Keuka College, but here are additional options for lodging near the College:

About 13.5 miles from ride

Transportation

No transportation is provided for our Bike MS rides. Finger Lakes Challenge, while a two-day ride, is a loop, starting and ending right at Keuka College. Southtowns Shuffle and Hudson River Ramble are one-day rides, also looping back to the starting location. Carpooling is encouraged, as it is both economically and environmentally friendly. All ride locations have ample parking.
